

**OSUN STATE COLLEGE OF TECHNOLOGY, ESA OKE
P.M.B 1011, ESA-OKE**

OFFICE OF THE REGISTRAR

**ADVERTISEMENT FOR ADMISSION INTO DAILY PART-TIME ACADEMIC
PROGRAMMES FOR 2017/2018 ACADEMIC SESSION**

Applications are invited from suitably qualified applicants for admission into the underlisted Daily Part-Time academic programmes which would be available in the institution during the 2017/2018 academic session.

A. FACULTY OF MANAGEMENT SCIENCES

1. NATIONAL DIPLOMA PROGRAMMES

- i. Two-year National Diploma in Accountancy
- ii. Two-year National Diploma in Banking and Finance
- iii. Two-year National Diploma in Business Administration and Management

General Entry Requirements

Applicants must possess minimum of four (4) credit passes at not more than two sittings in requisite subjects in GCE 'O' Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB.

The four credits passes must be obtained in Mathematics, English Language and any two from the following subjects: Commerce, Economics, Geography, Business Methods, Principles of Accounts, Statistics, Government, History, Biology, Agricultural Science, Chemistry and Physics.

2. ADVANCED CERTIFICATE PROGRAMMES

- (i) Banking and Finance**
- (ii) Accountancy**
- (iii) Business Administration and Management**

This is a one-year conversion course for holders of National Diploma (ND) in Business Administration and Management, Banking & Finance, Accountancy or Insurance wishing to proceed to HND in Accountancy, Banking and Finance or Business Administration and Management. Holders of Nigeria Certificate in Education (NCE) in relevant fields are also qualified to apply.

General Entry Requirements

Applicants must possess minimum of four credit passes in GCE 'O' Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB obtained at not more than two sittings from English Language, Mathematics and any two from the following subjects: Economics, Commerce, Business Methods, Principles of Accounts, Statistics, History, Government, Geography, Biology, Agricultural Science, Chemistry and Physics.

In addition, applicants must satisfy all the requirements for admission into the relevant National Diploma (ND) programme of their choice in the Faculty of Management Sciences, Osun State College of Technology, Esa Oke, which include four (4) credit passes in GCE 'O' Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB in English Language, Mathematics and two (2) other subjects from Economics, Commerce, Business Methods,

Principles of Accounts, Statistics, Geography, Biology, Agricultural Science, Chemistry, Physics, History and Government.

OSCOTECH, ESA-OKE

3. HIGHER NATIONAL DIPLOMA PROGRAMMES

- i. Two-year Higher National Diploma in Accountancy
- ii. Two-year Higher National Diploma in Banking and Finance
- iii. Two-year Higher National Diploma in Business Administration and Management

General Entry Requirements

Applicants must possess National Diploma in Accountancy, Banking and Finance or Business Administration and Management with a minimum of Lower Credit grade from the Osun State College of Technology, Esa Oke or any recognized polytechnic of equivalent status with at least one year post-ND industrial work experience.

Applicants must also possess minimum of four (4) credits in GCE 'O'Level or SSCE of WAEC, or SSCE of NECO or NTC of NABTEB obtained at not more than two sittings from English Language, Mathematics and any other two from the following subjects: Economics, Commerce, Business Methods, Principles of Accounts, Statistics, History, Government, Geography, Biology, Agricultural Science, Chemistry and Physics. In addition, they must possess the appropriate National Diploma.

Applicants who possess ATS or ICAN foundation stages are qualified to apply for admission into Higher National Diploma in Accountancy. Applicants with Advanced Certificate in either Accountancy or Banking and Finance are also qualified to apply.

B. FACULTY OF ENVIRONMENTAL STUDIES

1. NATIONAL DIPLOMA PROGRAMMES

- i. Two-year National Diploma in Building Technology
- ii. Two-year National Diploma in Quantity Surveying
- iii. Two-year National Diploma in Architectural Technology
- iv. Two-year National Diploma in Urban and Regional Planning
- v. Two-year National Diploma in Surveying and Geo-informatics
- vi. Two-year National Diploma in Estate Management

General Entry Requirements

Minimum of four (4) credit passes in GCE 'O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB obtained in Mathematics, and three (3) other relevant subjects as stated below. At least a pass in English Language is compulsory.

i. National Diploma in Building Technology:

In addition to the general entry requirements, three (3) credit passes must be obtained from any of the following subjects: Physics, Chemistry, Geography, Further Mathematics, Technical Drawing, Woodwork, Metalwork, Building Construction, Bricklaying/Blocklaying/Concreting, Plumbing, Joinery/Carpentry, Walls, floor and ceiling finishing, Economics, Commerce, Agricultural Science, Biology. **Credit in Physics is compulsory.**

iii. National Diploma in Quantity Surveying:

In addition to the general entry requirements, three (3) credit passes must be obtained from any of the following subjects: Physics, Chemistry, Economics, Commerce, Technical Drawing, Fine Arts, Geography, Woodwork, Biology, Agricultural Science, Building Construction and Further Mathematics. **Credit in Physics is compulsory.**

iii. National Diploma in Architectural Technology:

In addition to the general entry requirements, three (3) credit passes must be obtained from any of the following subjects: Physics, Chemistry, Agricultural Science, Biology, Economics, Commerce, Technical Drawing, Fine Arts and Business Methods. **Credit in Physics is compulsory.**

iv. **National Diploma in Urban and Regional Planning:**

In addition to the general entry requirements, applicant must possess credit in Economics or Geography and two (2) credit passes must be obtained from any of the following subjects: Commerce, Fine Arts, Technical Drawing, Statistics, Chemistry, Physics, Biology, Agricultural Science, History, Government, Business Methods, Principles of Accounts, Building Construction, and Woodwork. One of the two (2) subjects must be a basic science.

v. **National Diploma in Surveying and Geo-informatics:**

In addition to the general entry requirements, applicants must possess three (3) credit passes obtained from any of the following subjects: Physics, Chemistry, Further Mathematics, Technical Drawing, Fine Arts, Building Construction, Statistics, Geography, Economics, Commerce, Biology, Agricultural Science, and Basic Surveying. **A Credit in Physics is compulsory.**

vi. **National Diploma in Estate Management:**

In addition to the general entry requirements, applicants must possess credit pass in Economics and two (2) credit passes from the following which must include One (1) Science subject: Principles of Accounts, Physics, Biology, Agricultural Science, Chemistry, Technical Drawing, Geography and Government, Woodwork, Metalwork, Block Laying and Concreting.

2. HIGHER NATIONAL DIPLOMA PROGRAMMES

- i. Two-year Higher National Diploma in Building Technology
- ii. Two-year Higher National Diploma in Quantity Surveying
- iii. Two-year Higher National Diploma in Architectural Technology
- iv. Two-year Higher National Diploma in Urban and Regional Planning
- v. Two-year Higher National Diploma in Surveying and Geo-informatics
- vi. Two-year Higher National Diploma in Estate Management

General Entry Requirements

Applicants must possess relevant National Diploma in the proposed course as listed above from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience.

In addition, applicants must satisfy all the requirements for admission into the relevant ND programme of choice in the Faculty of Environmental Studies, Osun State College of Technology, Esa Oke, which should include four (4) credits passes in GCE 'O' Level or SSCE of WAEC or NECO or NTC of NABTEB obtained at not more than two sittings. At least a pass in English language is compulsory.

i **Higher National Diploma in Building Technology:**

Applicants must possess credit passes in Mathematics, Physics plus any two (2) subjects from the following: Chemistry, Geography, Government, Further Mathematics, Technical Drawing, Building Engineering Drawing, Plumbing, Woodwork, Metalwork, Building Construction, Bricklaying/Blocklaying/Concreting, Joinery/Carpentry, Walls, Floors and ceiling finishing, Economics, Commerce, Agricultural Science, Biology and Basic Electricity.

- ii. **Higher National Diploma in Quantity Surveying**
Applicants must possess credit passes in Mathematics, Physics and any other two (2) subjects from the following: Economics, Commerce, Technical Drawing, Fine Arts, Chemistry, Geography, Woodwork, Biology, Building Construction, Further Mathematics and Agricultural Science.
- iii. **Higher National Diploma in Architectural Technology**
Applicants must possess credit passes in Mathematics and Physics, plus any two (2) subjects from the following: Biology, Woodwork, Chemistry, Geography, Economics, Commerce, Technical Drawing, Fine Arts and Business Methods.
- iv. **Higher National Diploma in Urban and Regional Planning**
Applicants must possess credit passes in English Language, Mathematics, Economics or Geography and any one (1) from the following Basic Science: Chemistry, Physics, Biology, and Agricultural Science.
- v. **Higher National Diploma in Surveying and Geo-informatics**
Applicants must possess credit passes in Mathematics, Physics and any other two (2) subjects from the following: Further Mathematics, Chemistry, Technical Drawing, Fine Arts, Statistics, Geography, Economics, Commerce, Biology, Agricultural Science, and Basic Surveying.
- iv. **Higher National Diploma in Estate Management**
Applicants must possess credit passes in Mathematics, Economics and any two (2) credit passes from the following which must include One (1) Science subject: Geography, Physics, Chemistry, Biology, Agricultural Science, Principles of Accounts, Government, Further Mathematics, Technical Drawing, Block Laying and Concreting, Woodwork and Metalwork.

C. FACULTY OF ENGINEERING

1. NATIONAL DIPLOMA PROGRAMMES

- i. Two-year National Diploma in Civil Engineering
- ii. Two-year National Diploma in Electrical/Electronics Engineering
- iii. Two-year National Diploma in Mechanical Engineering
- iv. Two-year National Diploma in Mechatronics Engineering

General Entry Requirements

Applicants seeking admission to any of these four (4) above departments must possess minimum of four (4) credit passes in Mathematics, Physics, Chemistry and any one (1) subject from: Biology, Agricultural Science, Technical Drawing, Basic Electronics, Basic Electricity, Auto Mechanics, Metalwork, Geography, Government, Economics, Commerce, Further Mathematics, Woodwork, Building Engineering Drawing and Statistics. At least a Pass in English Language is compulsory.

2. HIGHER NATIONAL DIPLOMA PROGRAMMES

- i. Two-year Higher National Diploma in Civil Engineering
- ii. Two-year Higher National Diploma in Electrical/Electronics Engineering
 - a. Electronics and Telecommunication (Option)
 - b. Power and Machine (Option)
- iii. Two-year Higher National Diploma in Mechanical Engineering

General Entry Requirements

Applicants must possess relevant National Diploma in the proposed course as listed above from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience.

In addition, applicants must satisfy all the requirements for admission into the relevant ND programmes of choice in the Faculty of Engineering, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE O'Level or SSCE of WAEC or NECO or NTC of NABTEB obtained in Mathematics, Physics and two (2) other relevant subjects at not more than two (2) sittings. In all cases, applicants must possess at least a Pass in English language.

Applicants seeking admission into any of these three (3) above must possess credit passes in Mathematics, Physics, Chemistry and any other one subject from: Biology, Agricultural Science, Technical Drawing, Basic Electronics, Statistics, Basic Electricity, Auto Mechanic, Metalwork, Geography, Government, Economics, Commerce, Further Mathematics, Welding and Fabrication and Woodwork.

Special consideration

A good National Diploma in Computer Engineering may be considered for admission into Electrical/Electronics Engineering.

D. FACULTY OF APPLIED SCIENCES

1. NATIONAL DIPLOMA PROGRAMMES

- i. Two-year National Diploma in Computer Science
- ii. Two-year National Diploma in Statistics
- iii. Two-year National Diploma in Science Laboratory Technology

General Entry Requirements

Applicants must possess minimum of four (4) credits in GCE 'O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB in Mathematics and Physics and two (2) other relevant subjects at not more than two (2) sittings. Applicants for Statistics do not need credit pass in Physics but in all cases, each applicant must possess at least a pass in English Language.

i. National Diploma in Computer Science

In addition to general entry requirements, applicants must possess credit passes in any two (2) subjects from the following: Economics, Statistics, Geography, Further Mathematics, Chemistry, Biology, Agricultural Science, Woodwork, Technical Drawing, Basic Electronics, Basic Electricity, Auto Mechanic and Metalwork.

ii. National Diploma in Statistics

Applicants must possess credit passes in Mathematics and any other three (3) subjects from the following: Physics, Chemistry, Economics, Statistics, Geography, Government, History, Further Mathematics, Biology, Agricultural Science, Woodwork, Typewriting, Principles of Accounts, Commerce, Business Methods, Social Studies, Technical Drawing, Basic Electronics, Basic Electricity and Auto Mechanic.

iii. National Diploma in Science Laboratory Technology

Applicants must possess credit passes in Mathematics and any other two (2) subjects from the following: Physics, Biology or Agricultural Science, Chemistry, and any One (1) subject from the following: Technical Drawing, Woodwork/Metalwork, Basic Electricity, Geography, Economics and Further Mathematics.

2. FACULTY OF APPLIED SCIENCES

- i. Two-year Higher National Diploma in Computer Science

- ii. Two-year Higher National Diploma in Statistics
- iii. Two-year Higher National Diploma in Science Laboratory Technology:
 - (a) Microbiology (Option)
 - (b) Physics with Electronics (Option)
 - (c) Chemistry (Option)

General Entry Requirements

Applicants must possess relevant National Diploma in the proposed course as listed above from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience.

In addition, applicants must satisfy all the requirements for admission into the relevant ND programme of their choice in the Faculty of Applied Sciences, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE O'Level or SSCE of WAEC or NECO or NTC of NABTEB obtained in Mathematics, Physics and two (2) other relevant subjects at not more than two (2) sittings. Applicants for Statistics may not need to possess a credit pass in Physics, but applicants for (i) and (ii) above must possess at least a pass in English language.

i. Higher National Diploma in Computer Science

In addition to general entry requirements, applicants must possess credit passes in two (2) other subjects from the following: Chemistry, Statistics, Further Mathematics, Biology, Agricultural Science, Basic Electronics, Basic Electricity, Auto Mechanics, Metalwork, Woodwork, Economics, Geography and Technical Drawing.

ii. Higher National Diploma in Statistics

Applicants must possess credit passes in Mathematics and any other three (3) subjects from the following: Physics, Chemistry, Economics, Statistics, Geography, Government, History, Further Mathematics, Biology, Agricultural Science, Typewriting, Principles of Accounts, Commerce, Business Methods, Basic Electronics, Basic Electricity, Auto Mechanics, Metalwork and Woodwork.

iii. Higher National Diploma in Science Laboratory Technology:

- (a) Microbiology (Option)
- (b) Physics with Electronics (Option)
- (c) Chemistry (Option)

Applicants for item iii (a – c) above must possess five (5) credit passes in Mathematics, English Language, Physics, Chemistry, Biology or Agricultural Science.

In all cases, graduates of other institutions other than Osun State College of Technology, Esa Oke should ensure that their academic transcripts are forwarded by their various institutions early enough to The Registrar, Osun State College of Technology, Esa Oke.

METHOD OF APPLICATION

Applicants are to purchase admission scratch cards from any of the underlisted banks at a cost of ₦7,500.00 (Seven Thousand, Five Hundred Naira Only).

1. OSCOTECH Microfinance Bank Ltd., Main Campus, Esa-Oke
2. OSCOTECH Microfinance Bank Ltd., Orinkiran Street, Ilesa
3. Olu-Basiri Microfinance Bank, Sabo Junction, Osogbo, Osun State
4. First Bank Nig. Plc. U.I. Branch, Ibadan, Oyo State.

Applicants are required to access the admission forms and complete same using the scratch cards Personal Identification Number (PIN) on the College Website www.oscotechesaoke.edu.ng.

Interested applicants should access and complete admission forms immediately.

Date for Computer-based screening exercise for all applicants will be announced later.

OSCOTECH, ESA-OKE

CHECKING OF PROVISIONAL ADMISSIONS LIST

Applicants are free to check the provisional list of successful applicants online with the purchase of scratch cards at a cost of ₦1,000.00 (One Thousand Naira Only) from any of the above listed banks.

Signed.

Mr. J.O. Ogunsuyi
Registrar
