

OSUN STATE COLLEGE OF TECHNOLOGY, ESA-OKE

OFFICE OF THE REGISTRAR

INTERNAL MEMORANDUM

FROM: Registrar

TO: All prospective applicants and General Public

REF: REG.23/III/68

DATE: 20th July, 2026

PUBLIC NOTICE ON SALE OF 2026/2027 COLLEGE ADMISSION FORM

This is to inform the general public, especially the prospective applicants seeking admission to the College that the sale of forms for admission into National Diploma (ND) and Higher National Diploma (HND) programmes for 2026/2027 academic session is now on.

The College forms are available at the underlisted cost:

Post UTME screening form	-	2,000.00
ND and HND part time admission form	-	20,000.00
HND full time admission form	-	20,000.00

The prospective applicants are hereby informed that the College doesn't charge any additional fees aside the above for its admission form. The general public is hereby informed that information reaching the College Management from credible sources has confirmed that some operators of Cybercafés are exploiting applicants by charging outrageous and frivolous amount on applicants who approach them for online filling of College forms, portraying the impression to the general public that the cost of the College admission form is out of reach to the public. Some are reportedly charging exploitative amount ranging from ₦5,000.00 to ₦60,000.00 just for filling forms online for applicants.

A situation which has sent erroneous and negative signals to the applicants making the cost of College admission form appears too expensive and scary, thereby discouraging the prospective applicants from showing interest in the College admission form. This act of extortion is unwholesome and condemnable.

Management therefore, condemns and dissociate itself from this exploitative charges in the strongest term and warns such scandalous cybercafé operators to desist from such oppressive and derogatory activities in their own interest or else they will be handed over to the law enforcement agents.

In view of this embarrassing situation, applicants are hereby advised to proceed to the College ICT centre to process their application forms in order to avoid the exploitative tendencies of such cyber cafe operators.

Thank you.

S. O. Popoola
